

# APOLLO CANCER CONCLAVE 2024

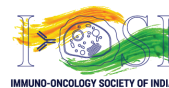

“Navigating the Changing  
Cancer Landscape from  
**Contemporary  
to Precise**”

8<sup>th</sup> to 10<sup>th</sup> Nov 2024

Jio World Convention Centre, BKC, Mumbai

In association with:

# WELCOME MESSAGE

## Welcome to Apollo Cancer Conclave 2024!

Dear Esteemed Guests, Distinguished Speakers, and Fellow Colleagues,  
On behalf of the organizing committee, it is our utmost pleasure to welcome you to Apollo Cancer Conclave hosted by Apollo Hospitals, Navi Mumbai. This year's conclave promises to be a gathering of profound insights, innovative strategies, and collaborative endeavours in the realm of oncology.

### Event Details:

**Dates:** 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> November 2024

**Venue:** Jio World Convention Centre, BKC, Mumbai

Nestled in the heart of Mumbai's bustling business district, the Jio World Convention Centre offers world-class amenities and a conducive environment for meaningful discussions and networking.

### About Mumbai:

As you immerse yourself in the rich tapestry of knowledge exchange and clinical advancements, we invite you to explore the vibrant city of Mumbai. Known as the "City of Dreams," Mumbai captivates with its cultural diversity, iconic landmarks such as the Gateway of India and Marine Drive, and delectable culinary experiences ranging from street food delights to fine dining extravaganzas.

### Join Us:

Together, let us embark on a journey of learning, collaboration, and impactful outcomes in the fight against cancer. Your presence and contributions are instrumental in shaping the future of oncology, and we are honoured to have you join us in this noble endeavour.

Here's to three days of enlightenment, camaraderie, and meaningful connections at the Apollo Cancer Conclave!

Warm regards,

Organizing Committee

# ORGANISING COMMITTEE

## Patrons

Dr. Prathap C. Reddy      Ms. Preetha Reddy      Ms. Suneeta Reddy  
Ms. Shobhana Kamineni      Ms. Sangita Reddy      Mr. Harshad Reddy

## Chairperson

Dr. Anil K. D'cruz

## Program Committee

Dr. Anand Zade      Dr. Ashwin Tamhankar      Dr. Dipalee Borade  
Dr. Jyoti Bajpai      Dr. Nita Nair      Dr. Punit Jain  
Dr. Rajesh Shinde      Dr. Ranjeet Bajpai      Dr. Richa Bansal  
Dr. Sandeep De      Dr. Sataksi Chaterjee      Dr. Shrikanth Atluri  
Dr. Tejinder Singh      Dr. Vipin Khandelwal      Dr. Vivek Venkatramani

## National Advisors

Dr. T. Raja      Dr. Vijayanand Reddy      Dr. Rakesh Jalali

## Executive Team

Dr. Madhu Sasidhar      Mr. Dinesh Madhavan      Mr. Arunesh Punetha  
Dr. Anupam Sibal      Dr. Naveen Ramchandra Nagar      Dr. Kiran Shingote  
Dr. Rohini Sridhar      Dr. Ravi Shankar

# INTERNATIONAL FACULTY

## INAUGURAL KEYNOTE FACULTY

**Elisabete Weiderpass, France**

Elisabete Weiderpass, MD, MSc, PhD, is the Director of the International Agency for Research on Cancer (IARC), the World Health Organization (WHO)'s specialized cancer agency, based in Lyon, France. She took office in January 2019 and, in May 2023, was elected for a second, and final, five-year term, commencing on 1 January 2024.

Dr Weiderpass is an expert in cancer epidemiology and cancer prevention, with a particular interest in cancer registration, the understanding of cancers and the implementation of effective prevention strategies. She is the co-author of more than 1,000 scientific articles (ORCID: 0000-0003-2237-0128) in peer-reviewed international journals. She is a member of the EU Mission Board for Cancer, Chair of the Scientific Advisory Board of Institut Gustave Roussy (Paris, France), a member of the Governing Council of the Institut national de la santé et de la recherche médicale (Inserm), (Paris, France), a member of the Scientific Council of the Centre Léon Bérard (Lyon, France) and a Steering Committee member of the WHO Academy.

**Abou-Alfa Ghassan (USA)**

Medical Oncologist  
Memorial Sloan Kettering  
Cancer Center (MSK),  
New York, United States  
SITC-Global Access &  
Impact Committee Core member

**Antonio Toesca (Italy)**

Director,  
Division of Surgical Senology,  
Head, Division of Breast  
Surgical Oncology  
Candiolo Cancer Institute  
FPO-IRCCS, Turin, Italy

**Ashish Kamat (USA)**

Endowed Professor of Urology and  
Cancer Research at  
MD Anderson Cancer Center  
President of the International Bladder  
Cancer Collaborative Group

**Ashish Kumar (USA)**

Professor of Pediatrics,  
Division of Bone Marrow  
Transplant and Immune Deficiency  
Director, Histiocytosis Center  
Cincinnati Children's Hospital  
Medical Center and University of  
Cincinnati College of Medicine

**Cesare Piazza (Italy)**

Department of  
Otorhinolaryngology,  
Head and Neck Surgery,  
University of Brescia  
Brescia, Italy

**Damian Tobias Reike (Germany)**

Director,  
Division of Surgical Senology,  
Head, Division of Breast  
Surgical Oncology  
Candiolo Cancer Institute  
FPO-IRCCS, Turin, Italy

**Gwenoel Ferron (France)**

Institut Claudius Regaud - IUCT Oncopole,  
France  
Surgical Oncologist specialising in  
peritoneal carcinosis (including rare  
peritoneal disease and HIPEC),  
gynaecological cancer, pelvic recurrences  
and sarcoma

**Lisa A. Orloff (USA)**

Director, Endocrine Head and  
Neck Surgery Program  
Professor in the Department  
of Otolaryngology  
Division of Head and Neck Surgery,  
Stanford University School  
of Medicine

**Mahendra Bhandari (USA)  
(Padma Shri)**

Director of Robotic Surgery  
Research at Vattikuti Urology  
Institute, Detroit  
CEO of Vattikuti Foundation

# INTERNATIONAL FACULTY

## Maryam Lustberg (USA)

Director, Center for Breast Cancer,  
Smilow Cancer Hospital and  
Yale Cancer Center,  
United States  
MASCC President

## Michael Hockel (Germany)

Department of Gynecology,  
Women's and Children's Center,  
Leipzig School of Radical Pelvic Surgery,  
University of Leipzig, Germany

## Nicolò Matteo Luca Battisti (UK)

Clinical Lead,  
Senior Adult Oncology Programme,  
The Royal Marsden  
NHS Foundation Trust, London,  
UK;  
SIOG President

## Nikhil Vasdev (UK)

Consultant Urological Surgeon  
& Associate Medical Director  
for Cancer Services  
East and North Hertfordshire  
NHS Trust  
Lister Hospital, Stevenage, UK

## Nitin Jain (USA)

Professor, Department of Leukemia  
Director, Leukemia CAR-T Program  
The University of Texas  
MD Anderson Cancer Center

## Roberto Salvia (Italy)

Professor of Surgery,  
Executive Chief of the  
Verona Pancreas Institute,  
University of Verona, Italy

## Shail Maingi (USA)

Chief Medical Oncologist,  
Hematologist & Palliative  
Care Physician,  
Dana-Farber Cancer Institute,  
United States  
Global leader in LGBTQ + Cancers

## Veeru Kasivisvanathan (UK)

Associate Professor of Urology,  
specialising in Focal Therapy and  
Robotic Cancer Surgery, University  
College London & University College  
London Hospital

## Vinidh Paleri (UK)

Consultant Head &  
Neck Surgeon,  
The Royal Marsden Hospitals  
(RMH)  
Professor of Head and  
Neck Surgery,  
Institute of Cancer Research (ICR)

## Winette Van Der Graaf (Netherlands)

Professor & Head Medical  
Oncology, NCI,  
Amsterdam, Netherlands;  
EORTC President;  
Global leader - AYA Cancers

# CONFERENCE HIGHLIGHTS

# CONFERENCE HIGHLIGHTS

Day 1 | 8<sup>th</sup> November 2024

Each track promises a comprehensive exploration of the latest advancements, clinical trials, and best practices, providing delegates with a holistic understanding of the evolving landscape of cancer care.

## Breast Oncology

- Technology and the Indian Perspective
- Robotic breast surgery: What is new in 2024?
- Panel on case based discussions related to controversies in breast cancer
- The stalwarts discuss real world experiences and Indian studies
- Breast cancer management & toxicities
- Oncoplasty surgical videos

## Gynaec - Oncology

- Extra abdominal cytoreductive surgeries in ovarian cancer
- Discussing the role of HIPEC in Ovarian Cancer
- Newer updates on HRD score and Systemic therapy in ovarian cancer
- TMMR and LEER procedures with their pathoanatomical basis and indications
- Fertility preservation and Trachelectomy
- Advances in Image guided Brachytherapy and radiation techniques, and state of the art in systemic therapies
- Critical evaluation and practical utility of new FIGO staging
- Recent developments in treatment of High risk endometrial cancer and Uterine sarcomas

# CONFERENCE HIGHLIGHTS

**Day 2 | 9<sup>th</sup> November 2024**

Each track promises a comprehensive exploration of the latest advancements, clinical trials, and best practices, providing delegates with a holistic understanding of the evolving landscape of cancer care.

## Gastro-intestinal Oncology

- Controversies in colorectal cancer
- Role of extended surgery in upper GI cancer
- Updates in immunotherapy and targeted therapy for Upper GI cancers
- Recent developments in Systemic therapy for HPB cancers
- Liver directed therapy
- Management of oligometastatic colorectal cancer

## Head & Neck Oncology

- Establishing the role of newer technological advances in Head and Neck Cancer
- Addressing contentious issues in Head and Neck cancer
- Establishing the role of cost effective treatments in head and neck cancer
- Improving the quality of life in head and neck cancer patients

## Precision Oncology and Rare & Challenging Situations

- LGBTQ + cancers – Challenges in diagnosis, treatment, survivorship, psychological barrier. (Brain storming with Global leaders /care providers, NGO's, Community leaders & survivors)
- Adolescent & Young Adult Cancers - Challenges, care pattern, establishing network
- Geriatric cancers – Comprehensive assessment & dedicated clinic - Need or want
- Palliative care - Enhanced supportive care, minimizing & managing toxicities of novel agents, end of life care for special groups (LGBTQ, AYA, Geriatrics), Artificial intelligence incorporation
- Precision Radiotherapy

# CONFERENCE HIGHLIGHTS

Day 3 | 10<sup>th</sup> November 2024

Each track promises a comprehensive exploration of the latest advancements, clinical trials, and best practices, providing delegates with a holistic understanding of the evolving landscape of cancer care.

## Haematolymphoid Oncology

### Haematolymphoid Oncology (Adult)

- Indian CAR T - Journey till date
- CAR T therapy in Acute lymphoblastic leukemia
- Newly diagnosed Diffuse Large B cell Lymphoma - Controversies and Challenges in 2024 !
- Refractory diffuse large B cell Lymphoma - The way forward
- Allogenic transplant in Myelodysplasia : choosing the right candidate
- Triple Refractory myeloma
- Cancer related thrombosis
- Risk-stratified approach to treating AML in adults based on ELN 2022
- How to treat Acute Lymphoblastic Leukemia in adults in 2024
- Haematopoietic stem cell transplant: Challenges in India
- Allogeneic transplant in Adult acute lymphoblastic leukemia in the era of CAR T

### Haematolymphoid Oncology (Paediatric)

- Paediatric Acute lymphoblastic leukemia emerging therapies – From pathway to target
- Haploidentical HSCT in Paediatric Relapsed Acute lymphoblastic leukemia – T cell depleted or repleted?
- Recent advances in the understanding of the molecular pathogenesis and targeted therapy options in Langerhans cell histiocytosis
- Advances in cellular therapy and clinical implications
- Advances in management of Paediatric Hodgkin's Lymphoma

# CONFERENCE HIGHLIGHTS

**Day 3 | 10<sup>th</sup> November 2024**

Each track promises a comprehensive exploration of the latest advancements, clinical trials, and best practices, providing delegates with a holistic understanding of the evolving landscape of cancer care.

## Uro - Oncology

- Changing paradigm of prostate cancer diagnosis and treatment
- Robotic surgery: Technical considerations and videos
- Controversies in Uro-Oncology: Expert debates
- Case-based discussions in prostate, kidney and bladder cancer
- Newer radiation techniques for prostate cancer
- Genetics and precision medicine in Uro-Oncology

# ABSTRACT GUIDELINES

We are delighted to announce the paper presentation and surgical video competition as part of the upcoming Apollo Cancer Conclave 2024, to be held from 8th to 10th November at Jio World Convention Centre, Mumbai. This competition provides a unique opportunity for researchers, clinicians, and students to showcase their work and contribute to the advancement of cancer research and treatment.

## PRIZES:

### ORAL PRESENTATION

#### Student

Top 5 prizes  
Rs. 25,000 (each)

#### Young Clinician

Top 5 prizes  
Rs. 25,000 (each)

### BEST VIDEO

Top 2 prizes  
Rs. 25,000 (each)

## Abstract Submission Guidelines:

**Eligibility:** The competition is open to all clinicians / students / researchers / healthcare units including hospitals / clinics / diagnostic centers, healthcare communication / technology organizations, integrated public and private healthcare entities.

### Categories:

1. Students / researchers
2. Young Clinicians (<40 years of age)

**Submission Deadline:** The deadline for abstract submission extended till **15<sup>th</sup> October 2024**.

**Entry Fee:** No Fee

### Submission Process:

- Abstracts to be submitted online only.
- Abstracts must be original and should not have been submitted / presented / intended for presentation elsewhere before Apollo Cancer Conclave 2024.
- Individual / organization can submit more than one entry and can also apply for different categories. Use a separate entry process for each paper.
- Abstracts must be Submitted as a Word document in the Abstract Form Link provided below.
- Include the presenting author's full name, affiliation, email address, and contact number in abstract form correctly.

# ABSTRACT GUIDELINES

## Abstract format:

- Abstracts must be written in English.
- Abstracts should not exceed 500 words.
- Use Times New Roman, 12-point font, and single spacing.
- Include the following sections:
  - » Title
  - » Authors (including affiliations)
  - » Background
  - » Aim / Objectives
  - » Methodology
  - » Results
  - » Conclusion
- Entries in any other prepared format or with unfilled section(s) will not be evaluated.

**Review process:** All submitted abstracts will undergo review by the scientific committee. Criteria for evaluation include scientific merit, clarity, originality, and relevance to the field of cancer research and treatment. The decision of the scientific committee will be final.

## Notification:

- An e-mail confirming the receipt of the abstract, including abstract number, will be sent to the submitting delegate. This number should be quoted for all further correspondence.
- Shortlisted authors will be notified via email by 20th October 2024, along with further instructions on presentation guidelines.
- All shortlisted authors will get free registration to the conference.
- Oral presentations will be scheduled in concurrent sessions during the conference.

## Surgical Video Submission Guidelines:

At Apollo Cancer Conclave 2024 we will be running videos made and presented by the delegates. The videos must highlight routine or innovative procedures, newer technique or even examination of a patient.

## Submission process:

- A written abstract must be submitted for evaluation explaining what the video is aiming to demonstrate. The abstract must not exceed 150 words.
- Presenter has to submit the video after abstract acceptance. The format of video presentation will be sent to presenter individually by our scientific committee after abstract acceptance.
- The presenter should be a part of the team performing the given surgery.
- Manufacturer's demo videos are not allowed and will mean automatic disqualification.
- Abstracts must be submitted as a Word document in the Abstract Form Link provided below.
- Include the presenting author's full name, affiliation, email address, and contact number in abstract form correctly.

# ABSTRACT GUIDELINES

## Video format:

- File format should be .mp4. The duration should be 6 - 8 minutes. Maximum video size allowed is 500 mb.
- The 16:9 widescreen aspect ratio is preferred. Please edit in the native format of your camera if you can 4:3 is acceptable. However, please do not “stretch” your video.
- Patient Privacy: Identifying information, including patients' names, initials, or hospital numbers, must not appear. This typically happens in pre and post-operative radiographs, and MRIs. Written consent must be obtained from each person appearing in the work.
- The presenter will need to get the presentation and videos by pen drive or hard disk on the day of competition.

## Notification:

- An e-mail confirming the receipt of the abstract, including abstract number, will be sent to the submitting delegate. This number should be quoted for all further correspondence.
- Shortlisted authors will be notified via email by 30th September 2024, along with further instructions on presentation guidelines.
- All shortlisted authors will get free registration to the conference.
- Video presentations will be scheduled in concurrent sessions during the conference.

We encourage you to seize this opportunity to showcase your research and contribute to the vibrant scientific discourse at the Apollo Cancer Conclave 2024. Should you have any questions or require further clarification, please don't hesitate to contact us at [info@apollocancerconclave.com](mailto:info@apollocancerconclave.com)

We look forward to receiving your submissions and seeing you in Mumbai!

# REGISTRATION PACKAGES

## Conference Package

Conference Package	Second Slab Up till 15th October 2024	Late & Spot 16th October 2024 onwards
Delegate / Consultant	Rs. 8,000	Rs. 9,000
Fellows / Trainees	Rs. 4,500	Rs. 5,500
Accompanying Person	Rs. 5,500	Rs. 6,500

### Conference Registration Packages are inclusive of:

- Conference Registration fees for all days i.e. 8th November to 10th November 2024 (Friday to Sunday)
- Lunch on 8th, 9th & 10th November 2024 (Friday to Sunday)
- Dinner on 8th & 9th November 2024 (Friday & Saturday)
- Visit to Trade Exhibition
- Applicable GST

## One Day Conference Package:

Delegate / Consultant	Second Slab Up till 15th October 2024	Late & Spot 16th October 2024 onwards
Friday, 8th Nov 2024	Rs. 5,000	Rs. 6,000
Saturday, 9th Nov 2024	Rs. 5,000	Rs. 6,000
Sunday, 10th Nov 2024	Rs. 5,000	Rs. 6,000

### One Day Conference Registration Package is inclusive of:

- Conference Registration fees only for the one selected day i.e. 8th or 9th or 10th November 2024 (Friday or Saturday or Sunday)
- Conference Lunch on the one selected day i.e. 8th or 9th or 10th November 2024 (Friday or Saturday or Sunday)
- Conference Dinner on the one selected day if chosen between 8th or 9th November 2024 (Friday or Saturday)
- Visit to Trade Exhibition
- Applicable GST
